

Instructions to Determine Correct Ring Size

Please follow the instructions below very carefully to ensure that you are ordering the correct ring size.

Step 1: Print The Guide At The Correct Size

- a. Print this page out at 100% in size and do not select the 'scale to fit page' or 'shrink to fit page' options. This will ensure the Ring Sizer is correctly printed.
- b. Check print size – the line below should measure 5 cm (2 inches).

Step 2: Measure A Ring That Fits Comfortably

- a. Select one of your own rings that fits comfortably or, if this is a gift, use a ring that belongs to the gift recipient.
- b. Be sure you're measuring for the correct hand on which the ring will actually be worn. A ring size will be about a half size larger on the hand that is used for writing.
- c. Place ring over the circles.
- d. Find the circle which completely fills the inside of the ring without overlapping.
- e. If the ring falls between the two sizes, order the next size up.
- f. Your ring size is the number shown within the circle.

Step 3: Select The Correct Size on Our Web Page
